

non-sexual misdemeanors on a separate accusation, acts which were totally unrelated to Mr. Neal's law practice or his representation of clients, or his candor or honesty towards a Court or tribunal.

5. I am troubled that the judicial process against Mr. Neal could have played out in Court that resulted in the dismissal of the rape charge against him, but that he could now have to be subject to what amounts to a retrial of these charges against him in a Bar proceeding in federal court.

5. Specifically, I understand that Mr. Fred Kramer has been appointed to represent the members of the Bar of the Southern District of Georgia, however, his actions do not represent my views of this matter.

6. In particular, if Mr. Neal is factually innocent of the charge of rape against him as that charge has been dismissed. Mr. Neal's innocence of the charge of rape should be vindicated in this Court and his private, personal, consensual sexual conduct should not be again paraded before the public. The misdemeanors dispositions are first offenses for Mr. Neal which rarely, if ever, have been justification for suspension or disbarment.

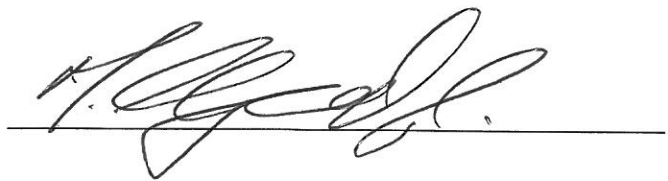

7. I understand that the trial judge in Superior Court, Judge Blanchard, stated in open court that no rape occurred and I understand that the prosecutor admitted in open court that the alleged victim would be demolished on cross examination.

8. It is my view that it is inappropriate to comment upon the private, consensual sexual conduct of a member of this Bar because such conduct is private and protected by the U.S. and Georgia Constitution. In any event any such conduct should not become an issue for resolution for the U. S. District Court or any Court where criminality is not involved. In other words, I don't believe it appropriate that this Court, or any Court for that matter should regulate the private, consensual conduct of attorneys appearing before them.

9. I endorse Mr. Neal for reinstatement as a member of the Bar of the Southern District of Georgia.

10. I declare under penalty of perjury that the foregoing 9 paragraphs are true and correct, and that this declaration was executed
